

QUEENSLAND AMBULANCE SERVICE CLINICAL PLACEMENT MEDICAL

You have been requested to undertake a Clinical Placement Medical with KINNECT as part of Queensland Ambulance Service Clinical Placements Program and your University degree requirements.

To request your Medical Assessment, simply visit: <https://www.kinnect.com.au/services/qas-clinical-placement-medical/>

You will be required to complete 3 steps in order to request your Medical Assessment.

STEP 1: IMMUNISATIONS

Before you can commence your medical assessment with KINNECT, we need to understand that you have previously had the below immunisations:

- Hepatitis B
- Whooping Cough (Diphtheria, Tetanus, Pertussis)
- Measles, Mumps, Rubella (MMR)
- Varicella
- Tuberculosis
- Covid doses x 3

You will complete an online form that will help you understand your immunisations requirements and submit the required information to KINNECT (including immunisation documentation / records).

If you cannot provide the above, you cannot proceed with the Clinical Placement Medical. KINNECT can assist in organising both serology and vaccinations, however this will incur an extra cost.

STEP 2: APPOINTMENT DETAILS

The cost of your medical assessment is determined upon the location where the assessment is to be conducted. You will complete an online form that will provide you with an estimate of the cost of your medical assessment. You will also be asked to provide your availability over the next fortnight to complete your medical assessment. This will involve providing a minimum of 4 hour time slots across 3 separate dates you are available.

STEP 3: PAYMENT

Payment can be made online via a debit or credit card. Following the payment being made, you will receive a confirmation of your order via email.

STEP 4: APPOINTMENT

You will receive an SMS and email from KINNECT advising of your appointment details and location. We will also advise you on what to bring to your assessment and other relevant details. It is important that you review this information and understand your requirements prior to attending.

STEP 5: ATTEND APPOINTMENT

You will attend your scheduled appointment, allowing up to 3 hours of time to complete the assessment. Failure to attend your scheduled appointment or cancellation within 24 hours will result in fees being applied.

STEP 6: MEDICAL RESULTS

Your Medical Results will be sent to both QAS stakeholders and yourself via email within 2 business days of your assessment.

ADDITIONAL FEES

If during the medical assessment process you are identified to have a medical condition that requires further medical investigation and/or information from a treating doctor, KINNECT will contact you and provide a referral letter to take to your treating doctor. Upon receiving this information back from you, KINNECT's Doctor will review the information and make the Fitness for Work Determination.

This fee (\$150 + GST) is to cover the cost of the referral letter and review of the additional information by the KINNECT Doctor.
